“As massive numbers of homelessness, hungry, unemployed, drug-addicted, illiterate, and mentally ill people vanish behind its walls, the social problems of extreme poverty, homelessness, hunger, unemployment, drug addiction, illiteracy, and mental illness become more ignorable, too.”

-Maya Shenwar

We, the diverse and committed youth group of Paths4Change, comprising members aged 14 to 23, proudly represent Grow United and the social foundation of life of the „ACT! As a Doughnut“ Project, in Frankfurt. Our mission is clear: to tackle the pressing issues of drug addiction and homelessness plaguing our community.

We are the voice of hope, the catalysts of change. With our energy and determination, we stand as a beacon of light in the face of adversity.

Drug addiction and homelessness cast a shadow over the vibrant streets of Frankfurt. We refuse to turn a blind eye. Instead, we confront these challenges head-on, armed with empathy and determination.

Through collaboration with aid organizations, we want to offer our time, resources, and unwavering support. We want to forge partnerships, organize fundraising initiatives, host events like film evenings and bake sales and to film documentations to raise awareness and funds.

Our vision extends beyond charity; we strive to create a more inclusive and compassionate society. By impacting the lives of those struggling with homelessness and addiction, we together create a brighter tomorrow. Together, we build a future where every member of our community can thrive.

Paths4Change is not just a project; it’s a movement. Join us as we pave the way towards a better, more hopeful future for all. Together, we can make a difference! One step at a time.
